Of Attorneys for Plaintiff

UNITED STATES DISTRICT COURT

DISTRICT OF OREGON

PORLAND DIVISION

KIMBERLY ARNOLD,

Plaintiff,

v.

PFIZER INC.,

Defendant.

Case No. 3:10-CV-1025-AC

**DECLARATION OF DANIEL SNYDER
IN SUPPORT OF PLAINTIFF'S MOTION
FOR ATTORNEY FEES AND COSTS**

I, DANIEL SNYDER, make the following statement under penalty of perjury:

1. I am attorney for Plaintiff in this lawsuit. I submit this declaration in support of Plaintiff's Motion for Attorney Fees and Costs.
2. I have been an active member of the Oregon State Bar since 1978. I was admitted by the United States District Court in 1985 and by the Ninth Circuit Court of Appeals in 2001. I

PAGE 1 – DECLARATION OF DANIEL SNYDER IN SUPPORT OF PLAINTIFF'S MOTION FOR ATTORNEY FEES AND COSTS

am also admitted to practice before the United States Supreme Court but have never argued a case before the Court.

3. I am a graduate of the University of Notre Dame Law School. While in law school I was a clerk in the corporate legal department of Miles Laboratories and was a legal aid clinic volunteer.

4. After law school graduation I was a trial clerk for the Honorable James Ellis. As a practicing lawyer, I worked the first five years as a prosecutor trying criminal cases. I was a deputy district attorney for the Jefferson County District Attorney's office for one and a half years. I was a deputy district attorney for the Multnomah County District Attorney's office for three and a half years.

5. I began practicing civil litigation as a deputy city attorney for the City of Portland. I worked for the City of Portland for three and a half years defending the City of Portland in civil rights and general liability matters.

6. I have been in private practice handling civil cases since approximately 1988, mainly in the areas of employment discrimination and civil rights.

7. My firm uses a time and billing system, Time Matters, in which we keep real time records of our time in each client case. It is our firm's standard, and standard within the legal community, to bill in .1 hour increments. Therefore, the minimum amount billed for drafting or reading an email or other tasks is .1 hour.

8. The Time Matters time and billing system that we used in keeping time in this lawsuit does not keep track of the attorney time spent reading and responding to emails. Therefore, we have set a standard to bill each email drafted, read, or responded to at a .1 hour increment even if more time was spent on each respective email.

PAGE 2 – DECLARATION OF DANIEL SNYDER IN SUPPORT OF PLAINTIFF'S MOTION FOR ATTORNEY FEES AND COSTS

9. Attorneys Cindy Gaddis, Erin McCool, and Carl Post, assisted me with this case. They have submitted separate declarations.

10. My current hourly rate is \$400.00 per hour. Attached as Exhibit 1 is an itemized statement of the time I devoted to this case.

11. The submitted attorney fees are reasonable considering the time and labor required, the difficulty of the questions involved, the skill requisite to perform the legal services properly, the preclusion of other employment by me due to my acceptance of this case, the customary fee in the community for similar work and awards in similar cases, and the contingency nature of my firm's representation of the plaintiff. I believe that the hourly fees that my associates and I charged in this matter are comparable to or less than the current market rates in Portland.

12. I have reviewed and utilized the Oregon State Bar 2012 Economic Survey in determining my legal fee and the load star figure. A true and correct copy of relevant excerpts from the Survey is attached hereto as Exhibit 2. I have been practicing for 36 years and my experience and knowledge justifies a billable rate of \$400, which is the 75th percentile for the Portland area for attorneys with more than 30 years of experience.

13. After the verdict, and my client's permissions, I sought the expertise of Janet Schroer, a partner at Hart Wagner who emphasizes appellate work, to consult with me on the post-trial motions filed by Pfizer. I knew that Ms. Schroer has significant expertise and prominence in appellate work. Work on the post-trial motions was performed as a joint effort with my firm Ms. Schroer and her team reviewed our work and made suggestions. Ms. Schroer's expertise was necessary due to the importance of the post-trial motions and likeliness of appeal.

A copy of Hart Wagner's statement is attached as Exhibit 3 to this declaration.

PAGE 3 – DECLARATION OF DANIEL SNYDER IN SUPPORT OF PLAINTIFF'S MOTION FOR ATTORNEY FEES AND COSTS

14. I have been awarded my full hourly rate in the past. In 2011, I was awarded attorney fees against Safeco Insurance at the rate of \$350 per hour by the Hon. Stephen Bushong in James Weakland v. Jorge A. Zurita Balbuena, et al, Multnomah Circuit Court Case No. 1004-04911. In 2012, I was awarded attorney fees at the rate of \$350.00 per hour by Hon. Anna Brown, District Judge, in Shannon Lenon v. Starbucks Corporation, USDC No. 3:11-cv-1085-BR, and by the Hon. Michael R. Hogan, District Judge, in Brian Lemos v. Redmond School District and Shay Mikalson, USDC Case No. 6:12-cv-00896-HO. My rate was at \$350 for many years and I increased my rate to \$400 per hour to adjust for inflation and accurately compensate me for my skills and experience.

15. I represent only Plaintiffs in civil litigation. Almost all of my practice is dedicated to helping clients with employment discrimination and retaliation claims. Almost all of my cases are handled on a contingency fee basis in which I risk my chance of recovery for attorney fees and costs along with my client's chance for success. The success of my law practice is very dependent on choosing cases in which I think my client has a reasonable likelihood of prevailing. Employment law claims are very labor intensive and claims typically do not settle until after discovery closes or summary judgment. The amount of work involved in most cases requires me to limit the amount of cases I can take on at one time.

16. Although I often able to achieve a successful resolution for my clients, my practice involves considerable risk. If a client accepts a settlement, then my fees are frequently calculated on a percentage and I am typically compensated less than my hourly rate. My clients are often unemployed or very low income and I have to risk a substantial amount of costs for my clients to pursue their claims. I do try several jury cases a year and am often successful. In the

PAGE 4 – DECLARATION OF DANIEL SNYDER IN SUPPORT OF PLAINTIFF'S MOTION FOR ATTORNEY FEES AND COSTS

event a client's case is dismissed or lost at trial, I lose all opportunity for recovery for attorney fees and costs, and am frequently stuck with the costs as my clients are unable to repay me.

I HEREBY DECLARE THAT THE ABOVE STATEMENT IS TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE AND BELIEF AND IS SUBJECT TO PENALTY OF PERJURY.

DATED: April 1, 2015

/s/ Daniel Snyder
